The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

FRECKLES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. Wherein Great Risks Are Taken and the Limberlost Guard Is Hired Freckles came down the corduroy that crosses the lower end of the Limberlost. At a glance he might have been mistaken for a tramp, but he was truly seeking work. He was intensely eager to belong somewhere and to be attached to almost any enterprise that would furnish him food and clothing. Long before he came in sight of the camp of the Grand Rapids Lumber Company, he could hear the cheery voices of the men, the neighing of the horses, and could scent the tempting odors of cooking food. A feeling of homeless friendlessness swept over him in a sickening wave. Without stopping to think, he turned into the newly made road and followed it to the camp, where the gang was making ready for supper and bed. The scene was intensely attractive. The thickness of the swamp made a dark, massive background below, while above towered gigantic trees. The men were calling jovially back and forth as they unharnessed tired horses that fell into attitudes of rest and crunched, in deep content, the grain given them. Duncan, the brawny Scotch head-teamster, lovingly wiped the flanks of his big bays with handfuls of pawpaw leaves, as he softly whistled, "O wha will be my dearie, O!" and a cricket beneath the leaves at his feet accompanied him. The green wood fire hissed and crackled merrily. Wreathing tongues of flame wrapped around the big black kettles, and when the cook lifted the lids to plunge in his testing-fork, gusts of savory odors escaped. Freckles approached him.
